B-1 ADDITIONAL SLINS

The Contracting Officer may insert additional informational subline items (SLINs) to accommodate multiple funding types.

B-2 FEE DETERMINATION AND PAYMENT (LEVEL OF EFFORT)

(a) Total Estimated Hours.

The estimated number of direct labor hours (including overtime and subcontract hours, but excluding holiday, sick leave, vacation and other excused absence hours) to be expended under this task order is:

CLIN / DIRECT LABOR HOURS

1001 /
1101 /
4201 /
4301 /
4401 /

The estimated number of direct labor hours set forth above includes the following estimated number of uncompensated overtime labor hours:

----------------------------------	----------------------------	-----------------	-------

4401 / 0

(b) Computation of Fee.

The fee per direct labor hour is computed by dividing the fixed fee amount shown in Section B by the estimated number of direct labor hours.

(c) Modifications.

If the Contracting Officer determines, for any reason, to adjust the estimated number of direct labor hours set forth above, such adjustments shall be made by task order modification. Any additional hours will be fee bearing, and the additional negotiated fee will be divided by the additional hours to determine a new payment of fee rate (applicable to the additional hours only). If the payment of fee rate for the additional hours is different from the payment of fee rate for the original hours, the additional hours shall be kept separate from the original hours.

The Contracting Officer may increase the estimated cost of the task order due to cost overruns (no additional hours required). Such increase in estimated cost is non-fee bearing.

(d) Payment of Fee.

The Government will pay the contractor a fixed fee on each direct labor hour performed by the Contractor or subcontractor at the rate of:

CLIN / FIXED-FEE RATE PER HOUR

1001 /
1101 /
4201 /
4301 /
4401 /

per direct labor hour invoiced by the Contractor subject to the basic contract's "Fixed Fee" clause, provided that after payment of 85 percent of the fixed fee, the Contracting Officer may withhold further payment of fee until a reserve is set aside in an amount that the Contracting Officer considers necessary to protect the Government's interest. This reserve shall not exceed 15 percent of the total fixed fee or \$, whichever is less. Any balance of fixed fee shall be paid to the Contractor, or any overpayment of fixed fee shall be repaid by the contractor, at the time of final payment.

Nothing herein shall be construed to alter or waive any of the rights or obligations of either party pursuant to FAR clause 52.232-20, Limitation of Cost, or FAR clause 52.232-22, Limitation of Funds, either of which is incorporated herein by reference.

NOTE: The fee shall be paid to the prime contractor at the per hour rate specified in this paragraph regardless of whether the contractor or subcontractor is performing the work.

SECTION C DESCRIPTIONS AND SPECIFICATIONS

C-2 QUALITY ASSURANCE PLAN

(a) Objective: The purpose of this plan is to provide a quality assurance plan for the services contracted under this task order. This plan provides a basis for the Task Order Manager (TOM) to evaluate the quality of the Contractor's performance. The oversight provided for in this plan, and the remedy established, will help ensure that service levels are of high quality throughout the task order term.

(b) Performance Standards:

1. The deliverables under this task order will be consistently technically accurate.
2. The services delivered under this task order will be consistently of high quality.
3. The Contractor's cost control efforts under this task order will be consistently effective (applicable to cost reimbursement task orders).
4. The Contractor will be consistently responsive to Government customers in its performance of this task order.
5. For the purposes of this plan, "consistently" is defined as "generally holding true", "persistently over time", and/or "uniformly overall."

(c) Evaluation Methods: The TOM will conduct performance evaluations based on the standards in paragraph (b) above using the following technique:

1. During the performance period of the task order, the TOM will continually and proactively monitor contractor efforts and obtain input from other Government personnel with performance oversight functions to ascertain the level of compliance with the Performance Standards.
2. Every 12 months after the effective date of the task order, a Contractor Performance Assessment Report (CPAR) will be prepared to document the results of the efforts performed under paragraph (c) 1 above.

(d) Remedy

1. If the annual performance evaluation indicates that the Contractor has not met one or more of the Performance Standards, the CPAR will reflect the negative evaluation for the applicable Performance Standards.
2. This is a significant negative remedy as the CPAR is a key part of the performance monitoring process which determines the contractor's ability to earn term extensions to its basic SeaPort-e contract in accordance with the Award Term provisions contained therein.

(e) The Contractor is responsible for the conduct of Contractor employees performing work under this contract, and shall ensure that Contractor employees are notified of these provisions prior to their assignment to work under this task order.

(f) The removal of Contractor personnel from a Government vessel or installation as a result of the drug offenses shall not be cause for excusable delay, nor shall such action be deemed a basis for an equitable adjustment to price, delivery or other provisions of this contract.

H-1 SEGREGATION OF COSTS (DEC 2003) (5252.232-9206)

(a) The Contractor agrees to segregate costs incurred under this task order at the lowest level of performance, either task or subtask, rather than on a total task order basis, and to submit invoices reflecting costs incurred at that level. Invoices shall contain summaries of work charged during the period covered, as well as overall cumulative summaries by labor category for all work invoiced to date, by line item, task or subtask.

(b) Where multiple lines of accounting are present, the ACRN preceding the accounting citation will be found in attached Financial Accounting Data (FAD) sheet. Payment of Contractor invoices shall be accomplished only by charging the ACRN that corresponds to the work invoiced.

(c) Except when payment requests are submitted electronically as specified in the clause at DFARS 252.232-7003, Electronic Submission of Payment Requests, one copy of each invoice or voucher will be provided, at the time of submission to DCAA, to the Task Order Manager.

H-2 DATA RIGHTS

The Data Rights clause in the basic contract is invoked for this task order.

H-3 CONTRACTOR PICTURE BADGE (DEC 1999) (SPAWAR H-323)

(a) A contractor picture badge may be issued to Contractor personnel by the SPAWARSYSCOM Security Office upon receipt of a valid visit request from the Contractor and a picture badge request from the Task Order Manager. A list of personnel requiring picture badges must be provided to the Task Order Manager for verification prior to completion of the picture badge request.

(b) An automobile decal will be issued by SPAWARSYSCOM Security Office upon presentation of a valid contractor picture badge and completion of the Badge and Decal Record.

(c) The Contractor assumes full responsibility for the proper use of the identification badge and automobile decal, and shall be responsible for the return of the badge and/or destruction of the automobile decal upon termination of personnel or expiration or completion of the contract.

----------------------------------	----------------------------	------------------	-------

(d) At the completion of the contract, the Contractor shall forward to SPAWARSCOM Security Office a list of all unreturned badges with a written explanation of any missing badges.

H-4 CONTRACTOR IDENTIFICATION (DEC 1999) (SPAWAR H-355)

(a) Contractor employees must be clearly identifiable while on Government property by wearing appropriate badges.

(b) Contractor employees are required to clearly identify themselves and the company they work for whenever making contact with Government personnel by telephone or other electronic means.

H-5 LIMITED RELEASE OF CONTRACTOR CONFIDENTIAL BUSINESS INFORMATION (CBI) (NOV 2003) (SPAWAR H-359)

(a) Definition.

“Confidential business information,” as used in this clause, is defined as all forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs, or codes, whether tangible or intangible, and whether or how stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing if -- (1) the owner thereof has taken reasonable measures to keep such information secret, and (2) the information derives independent economic value, actual or potential from not being generally known to, and not being readily ascertainable through proper means by, the public. Confidential business information may include technical data as that term is defined in DFARS §§ 252.227-7013(a)(14), 252.227-7015(a)(4), and 252.227-7018(a)(19). It may also include computer software as that term is defined in DFARS §§ 252.227-7014(a)(4) and 252.227-7018(a)(4).

Business information that would ordinarily be entitled to confidential treatment may be included in the information released to these individuals. Accordingly, by submission of a proposal or execution of this task order, the offeror or Contractor and its subcontractors consent to a limited release of its confidential business information.

(c) Circumstances where SPAWAR may release the Contractor’s or subcontractors’ confidential business information include the following:

(1) To other SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in handling and processing information and documents in the administration of SPAWAR contracts, such as file room management and contract closeout.

(d) SPAWAR recognizes its obligation to protect the Contractor and its subcontractors from competitive harm that could result from the release of such information. SPAWAR will permit the limited release of confidential business information under paragraphs (c)(1), (c)(2) and (c)(3) only under the following conditions:

(1) SPAWAR determines that access is required by other SPAWAR contractors and their subcontractors to perform the tasks described in paragraphs (c)(1), (c)(2) and (c)(3);

(2) Access to confidential business information is restricted to individuals with a bona fide need to possess;

(3) Contractors, their subcontractors, and their employees who are granted access to confidential business information have signed an appropriate non-disclosure agreement requiring them to provide the same level of protection to confidential business information that would be provided by SPAWAR employees;

(e) SPAWAR's responsibilities under the Freedom of Information Act are not affected by this clause.

(f) If SPAWAR satisfies the conditions listed in paragraph (d), the Contractor and its subcontractors agree to indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorneys fees, court costs, and expenses, arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, display, or disclosure of confidential business information provided by the Contractor to the Government.
