

Date: 10 September 2007

Contract: N0017804D4067 NS04 NERP DATA CLEANSING Technical Direction
Letter: 01

Ref: (a) Performance Work Statement (PWS) 3.1.4 Contractor shall maintain an Access metric database that enables complete reporting of N-ERP STARS –HCM legacy accounting data cleansing progress and status, as agreed to by SPAWAR.

1. This TDL temporarily eliminates the Weekly Project Status Reporting requirement and will be reinstituted on a bi-weekly or weekly basis within the last two months prior to NERP implementation date.
2. This TDL also clarifies the deliverable due date for the Monthly Project Status Report, which is ten working days after each accounting month-end close.
