This reserve shall not exceed 15 percent of the total fixed fee or , whichever is less. Any balance of fixed fee shall be paid to the Contractor, or any overpayment of fixed fee shall be repaid by the contractor, at the time of final payment.

## SECTION C DESCRIPTIONS AND SPECIFICATIONS

### C-2 QUALITY ASSURANCE PLAN

(a) Objective: The purpose of this plan is to provide a quality assurance plan for the services contracted under this task order. This plan provides a basis for the Task Order Manager (TOM) to evaluate the quality of the Contractor's performance. The oversight provided for in this plan, and the remedy established, will help ensure that service levels are of high quality throughout the task order term.

(b) Performance Standards:

1. The deliverables under this task order will be consistently technically accurate.
2. The services delivered under this task order will be consistently of high quality.
3. The Contractor's cost control efforts under this task order will be consistently effective (applicable to cost reimbursement task orders).
4. The Contractor will be consistently responsive to Government customers in its performance of this task order.
5. For the purposes of this plan, "consistently" is defined as "generally holding true", "persistently over time", and/or "uniformly overall."

(c) Evaluation Methods: The TOM will conduct performance evaluations based on the standards in paragraph (b) above using the following technique:

1. During the performance period of the task order, the TOM will continually and proactively monitor contractor efforts and obtain input from other Government personnel with performance oversight functions to ascertain the level of compliance with the Performance Standards.
2. Every 12 months after the effective date of the task order, a Contractor Performance Assessment Report (CPAR) will be prepared to document the results of the efforts performed under paragraph (c) 1 above.

(d) Remedy

1. If the annual performance evaluation indicates that the Contractor has not met one or more of the Performance Standards, the CPAR will reflect the negative evaluation for the applicable Performance Standards.
2. This is a significant negative remedy as the CPAR is a key part of the performance monitoring process which determines the contractor's ability to earn term extensions to its basic SeaPort-e contract in accordance with the Award Term provisions contained therein.

Invoices shall contain summaries of work charged during the period covered, as well as overall cumulative summaries by labor category for all work invoiced to date, by line item, task or subtask.

(b) Where multiple lines of accounting are present, the ACRN preceding the accounting citation will be found in attached Financial Accounting Data (FAD) sheet. Payment of Contractor invoices shall be accomplished only by charging the ACRN that corresponds to the work invoiced.

(c) Except when payment requests are submitted electronically as specified in the clause at DFARS 252.232-7003, Electronic Submission of Payment Requests, one copy of each invoice or voucher will be provided, at the time of submission to DCAA, to the Task Order Manager.

### **H-2 DATA RIGHTS**

### **H-3 CONTRACTOR PICTURE BADGE (DEC 1999) (SPAWAR H-323)**

(a) A contractor picture badge may be issued to Contractor personnel by the SPAWARSYSCOM Security Office upon receipt of a valid visit request from the Contractor and a picture badge request from the Task Order Manager. A list of personnel requiring picture badges must be provided to the Task Order Manager for verification prior to completion of the picture badge request.

(b) An automobile decal will be issued by SPAWARSYSCOM Security Office upon presentation of a valid contractor picture badge and completion of the Badge and Decal Record.

(c) The Contractor assumes full responsibility for the proper use of the identification badge and automobile decal, and shall be responsible for the return of the badge and/or destruction of the automobile decal upon termination of personnel or expiration or completion of the contract.

#### **H-5 LIMITED RELEASE OF CONTRACTOR CONFIDENTIAL BUSINESS INFORMATION (CBI) (NOV 2003) (SPAWAR H-359)**

(a) Definition.

“Confidential business information,” as used in this clause, is defined as all forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs, or codes, whether tangible or intangible, and whether or how stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing if -- (1) the owner thereof has taken reasonable measures to keep such information secret, and (2) the information derives independent economic value, actual or potential from not being generally known to, and not being readily ascertainable through proper means by, the public. Confidential business information may include technical data as that term is defined in DFARS §§ 252.227-7013(a)(14), 252.227-7015(a)(4), and 252.227-7018(a)(19). It may also include computer software as that term is defined in DFARS §§ 252.227-7014(a)(4) and 252.227-7018(a)(4).

Business information that would ordinarily be entitled to confidential treatment may be included in the information released to these individuals. Accordingly, by submission of a proposal or execution of this task order, the offeror or Contractor and its subcontractors consent to a limited release of its confidential business information.

(c) Circumstances where SPAWAR may release the Contractor’s or subcontractors’ confidential business information include the following:

(1) To other SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in handling and processing information and documents in the administration of SPAWAR contracts, such as file room management and contract closeout.

(2) Access to confidential business information is restricted to individuals with a bona fide need to possess;

(e) SPAWAR's responsibilities under the Freedom of Information Act are not affected by this clause.

(f) If SPAWAR satisfies the conditions listed in paragraph (d), the Contractor and its subcontractors agree to indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorneys fees, court costs, and expenses, arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, display, or disclosure of confidential business information provided by the Contractor to the Government.
